

Student Advocacy Opportunities

Advocate for a change within your school or community

Present to your school board or request the superintendent visit your class

Ask your district legislator to visit your class

(You can find your district legislators using your school address at nmlegis.gov)

Letter Writing (handwritten or emails)

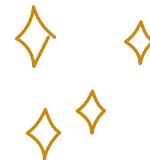

Have students provide virtual public comment during a committee hearing.

(Wild Friends students do it all the time and so can yours!)

Local

State/National

Teacher Advocacy Opportunities

You can do the student advocacy opportunities in addition to these opportunities:

Start a working group about outdoor learning with teachers and administrators at your school

Request capital outlay funding from your district legislator if they visit your class/school

Join working groups or advisory councils at PED

Present your work at local or national conferences
